

Dear Camp Henry Camper and Families,

My name is Kathryn Florack, and on behalf of Camp Henry, WELCOME!! HELLO!! THANK YOU FOR CHOOSING CAMP HENRY!! I first started attending Camp Henry at the young age of 11, following in my older brother's footsteps. Many years and laughs, later I am delighted to continue on this journey, especially alongside you and your child! I know that Camp Henry is a place to have ridiculous amounts of fun, make lifelong friends, learn to enjoy and appreciate our natural world, and to explore oneself and one's faith in a safe, welcoming, and beautiful setting. THANK YOU for signing up for this amazing adventure! 2017 is going to be an AWESOME year! If you can't tell, we are very excited for the summer to begin, as we hope you are too!

Included in this packet you will find helpful information for your week at camp, such as our Check In/Check Out Guide, Directions, Information about Bunk1 (a way to view pictures and send emails to your child during their session) and Directions to Camp Henry!

All necessary health forms and authorizations are to be completed online; they are found in your account with CampDoc once you register. (Exceptions are made in certain situations, please contact us if you need this type of assistance).

We strive to make the registration process as painless and straightforward as possible! We are more than happy to help answer questions or troubleshoot any problems. Please do not hesitate to contact us! You can reach me at 828-475-9264 or director.camphenny@gmail.com.

What to expect on "Check In Day"

Check in begins at **3:00 p.m.** on the first day of your campers' program. Please try to be on time (not too early or too late) as this will help get our program started smoothly. If you are not able to be on time for check in, please contact our office to notify us. When you enter the Lake Logan campus, please follow the signs for parking and Camp Henry check in. There will likely be a friendly counselor directing traffic and answering any questions you may have.

You will first meet the a couple of helpful Camp Henry Staff members who will check you in (making sure all paperwork and payments are complete) and give your camper their cabin assignments. At this time, your camper will be asked about any medications, allergies, illnesses, and recent or reoccurring injuries.

If needed, you will then check in with the camp healthcare provider (a licensed nurse or doctor registered in the state of North Carolina). ****If you need to discuss anything with the healthcare provider in private, we are happy to accommodate your needs. ALL medications, vitamins, and supplements must be left with the healthcare provider. We will be sure to administer medications at the time that you specify.**

Next you will receive your camp shirt and water bottle. We suggest that you label these items immediately so that if they are lost we can return them to you.

After receiving your camp shirt and water bottle, your camper will receive a lice check.

You will meet one of your counselors during the check in process. They will assist campers and families to the cabins and help campers get settled in. Parents and families are invited to help carry luggage, help campers get settled in, and tour the cabins. You know your camper best so please decide whether saying, "have a great time at camp" after check in or at the cabins is the best course of action.

What to Expect on "Check Out Day"

Check out is promptly at **10:00 a.m.** on the last day of your campers' program (Saturday). Please be on time, you may arrive a little early if you wish, but we do ask that you wait at the check out area for campers to come down from their cabins. This will enable us to clean and pack up with much more efficiency. Please follow signs and/or directions for parking. When check out begins, you will sign your camper out, receive a camp sticker, receive medications (if applicable), and check the "lost and found" table for any items that your camper may have misplaced. During this time your camper(s) will meet you and you may retrieve their luggage. We wish you a safe trip home and hope to see you the next summer.

*Please note that the Camp Store will be open at Check In and Check Out if you or your camper(s) would like to purchase any Camp Henry merchandise.
